

Victor Atasie

Seeking an internship opportunity to learn, collaborate, and develop impactful solutions.

Education

Bachelor of Science, Concord University

Athens, WV

Expected Graduation: May 2022

Major: **Computer Science**

Minor: Psychology

Projects

Online Video Downloader

easiersave.com

Developed a website *using Gatsbyjs(React), and Heroku* that allows users to easily download videos from several social media platforms by simply copying the link and pasting it on the site.

Dad Jokes Site

dadjokes3d.netlify.app

Created a website using Gatsbyjs that fetches dad jokes from a **REST API**, and designed it with a 3D dad model *using javascript, react-three-fiber and three.js(WebGL)*.

Restaurant Site Redesign

tudorsrestaurant.herokuapp.com

Worked with a team of 3 other students to redesign and develop Tudorsbiscuitworld's website *using Bootstrap, PHP, MySQL, and Javascript*.

Handwritten Digit Predictor

github.com/cs50victor/cspaint

Integrated scikit-learn and pandas library to develop a painting software that allows users to draw images and predict drawn digits.

Built using python.

Hack Virtual Machine

github.com/cs50victor/nandToTetris

Developed a program *using C and assembly*, that translates programs written in the hack virtual machine language to machine code.

Interests

Intramural soccer, Basketball, reading, listening to music, 3D graphic arts, Rick and Morty, The Office.

1000 Vermillion Street, 24712 WV

681-334-0464

Relevant Coursework

Web Development (CS 351), Software Engineering (CS 253), Computer Organization and Hardware (CS 325), Human-Centered Design (CS 272), Intro to Intelligent Systems (CS 261)

Skills

Programming Languages

Javascript (Node.js , WebGL), HTML, (S)CSS/Tailwind/CSS-in-Js (styled components), PHP, C, SQL, Python.

Libraries & Frameworks

React, Gatsby, Node.js, Express, Next.js, Three.js, Pandas, Scikit-Learn

Tools & Platforms

WSL(Linux), Git(version control) , Github, Netlify, Webpack, Heroku, Firebase, Virtual Studio Code

Design

Figma, Photoshop

Community Development and School Involvements

Bonner Volunteer Scholar ,

(Athens Biking and Hiking Trails - **Project Assistant**)

athensbiketrails.webflow.io

2019 – till date

Hopper Turing Society Member, (CS club)

2019 – till date

International Students Association

2018 – till date

(Vice-President, 2020)

Languages

English, Spanish (beginner).
